Notice regarding the completion of the examinations by the competition authorities concerning the issuance of new shares through third-party allotments

As Sharp Corporation (“Sharp”) had announced in the “(Update of and Partial Amendment to the Previous Disclosure) Notice regarding the issuance of new shares through third-party allotments, and change of largest shareholder and major shareholders,” dated March 30, 2016, Sharp has been proceeding with preparations to issue common shares and Class C Shares (the “New Shares”) to Hon Hai Precision Industry Co., Ltd., Foxconn (Far East) Limited, Foxconn Technology Pte. Ltd., and SIO International Holdings Limited (the “Planned Allottees”). Today, we have been informed the examinations by the Anti-Monopoly Bureau of China’s Ministry of Commerce have completed. With this news, Sharp hereby announces that all examinations by the competition authorities of the relevant countries have been completed.

Herewith, the conditions precedent to the payment of the New Shares have been satisfied. Therefore, transaction from the Planned Allottees are expected to be made in accordance with our agreement as soon as possible.

End

Attention: This press release is not an offer to sell or a solicitation of an offer to buy any securities. This press release has been prepared solely for the purpose of announcing the issuance of new shares by Sharp and not for the purpose of soliciting investment or engaging in any other similar activities within or outside Japan. Estimates, expectations, forecasts and other future information set out in this press release have been prepared based on the information that is available for Sharp as of today and on certain premises and assumptions, and the actual financial performance or result might be substantially different from such future information contained in this press release due to any unknown or known risk factors including domestic and global economic conditions.
