Sharp Manufacturing Systems Corporation

Network Module And ME-NET Module Discontinuation Notice

We have continually redesigned for specific discontinued parts and or having stocked parts to extend the life time. However we have severe difficulties to extend life time of below products, because of discontinuation some key components.

We are planning to discontinue below products in March 2012. It will be highly appreciated to have final order those items until December 2011.

Module Name	Model Name	Final Order	Final Production	Recommended Model For Replacement
Network module	JW-20CM	Dec. 2011	Mar. 2012	JW-52FL
	JW-22CM			JW-300CM
ME-NET module	JW-20MN			JW-52FL
	JW-21MN			JW-300CM
ME-NET board	JW-10MN			—
	JW-12MN			—
	Z-334J			Z-336J2
Remote I/O slave module	JW-20RS			JW-50DN2

We are very glad to have your order and for you to use our products.

If you would have questions , please contact us via our home page.
